Dear Mark:

On behalf of the Society of Exchange Counselors, and all the attendees at our Westlake, Texas, marketing conference, I would like to thank you for speaking during our luncheon. Your presentation was exceptional and I am so pleased that I was able to attend.

We had a "sold out" crowd, and I believe it was a benefit to everyone in attendance. It certainly was the highlight of our meeting, and our attendees were quite impressed.

I'm sorry that your travel plans had to change due to the weather, and I hope that your trip home on Wednesday was uneventful and your flight was on time.

Best regards,
