Dr. Dotyow,

Thank you for your participation in our Customer Advisory Board annual meeting this past Wednesday. Your presentation was very informative, enlightening and thought-provoking and we all enjoyed it. While the news wasn't always good, it was important to have our group in a position to best understand all the challenges that we are facing going forward. That is important to success and we want to help foster that with our customers. Thanks again and I hope to keep in touch!

Best Regards,
David Perkins
