Mark,

I wanted to personally thank you for being our keynote speaker at the Commercial Alliance of Las Vegas' Educational Symposium. I have received several comments from audience participants who felt your presentation was the best overview of the national economy they had ever heard. You seemed to be able to sweep aside much of the smoke and mirrors and to drill down into what is really happening, who is doing it and what their motivation is so a big Texas Thank You for your time and presentation.

On a separate note, I have an opportunity to meet with a member of our Nevada Congressional Delegation to discuss "National Issues of Importance to Nevada Realtors". I would be interested to know what points you would like to make to a member of Congress on this topic if you had only 5-minutes to make your case.

Thanks again,  
Garry Cuff  
2009 CALV President
